

Immigration Enforcement Compliance Act

HB 29 – SB 7

Bill Analysis

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

This bill prohibits "sanctuary city" policies, which prohibit local law enforcement from inquiring about a person's immigration status and complying with detainer requests. These policies also often prohibit the sharing of information regarding a person's immigration status with the federal government.

Opponents of such policies argue that the state should pass legislation that prohibits cities and other government entities from the creation and enforcement of policies and ordinances that prohibit or impede the enforcement of state and federal immigration law.

This bill amends current law relating to the enforcement by campus police departments and certain local governmental entities of state and federal laws governing immigration and to related duties and liability of certain persons in the criminal justice system; provides a civil penalty; and creates a criminal offense.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
