GUILLEN HOLDS LIVE TOWN HALL

Hosts Virtual Online Meeting For Constituent Dialogue

Austin - This Wednesday, March 8th, State Representative Ryan Guillen (D-Rural South Texas) will host his Virtual Town Hall to address questions and concerns from constituents across the district.

"Speaking directly with the people in our district about their concerns is the best way to understand the unique challenges facing our region," said Guillen. "Our Virtual Town Hall provides constituents another opportunity to meet with me and discuss their concerns in a way that facilitates a constructive dialogue to better serve our district."

The Virtual Town Hall will be Wednesday, March 8, at 6 p.m. Constituents can take part on Facebook or at ryanguillen.com to participate and share any questions and concerns. Questions and comments can be submitted before 6pm on Wednesday via Facebook, Twitter (@RyanGuillen), email (ryan.guillen@house.texas.gov) or at his website (ryanguillen.com) so he can answer as many of them as possible during the meeting. For those unable to make the Virtual Town Hall Meeting this time, it will remain on his Facebook Page and website for viewing in the following weeks. **"I look forward to hearing from you!" said Representative Guillen.**

"We are continuously trying to stay in touch with the people we represent," remarked Guillen. "Which is why I try to give our constituents as many opportunities as I can to share what they have to say with me and with my staff."

The Virtual Town Hall event allows a conversation with constituents about current events and policy issues debated throughout the state. Representative Guillen currently offers ten unique constituent service initiatives, including the Virtual Town Hall, in and around his district, where he serves ten rural South Texas counties in the Texas House of Representatives, including Atascosa, Brooks, Duval, Jim Hogg, Kenedy, La Salle, Live Oak, McMullen, Starr, and Willacy.
