GUILLEN MEETS WITH BROOKS, DUVAL, JIM HOGG COUNTY RESIDENTS AT DISTRICT OPEN HOUSE

Austin – On Thursday, May 12th, State Representative Ryan Guillen is hosting a District Office Open House in Benavides.

“We’ve opened offices across the district to better serve our communities. The Open House is the perfect chance for folks to come by after work, grab a few refreshments, and discuss important issues of the day,” said Guillen.

Residents from Brooks, Duval and Jim Hogg Counties can stop by the Northern District Office to meet with Representative Guillen and his District Director, Diana Flores. The open house in Benavides is the second of four in 2016 that Representative Guillen will host at each of his district offices throughout the year.

Representative Guillen's Central District Office is located at the Community Center in Benavides, 131 W. Main St. Residents can either walk-in or set up an appointment by calling (361) 256-3970.
