Austin, TX 78701

SUMMARY

The Rural Public Transportation grants program helps people in rural areas access health care, shopping, education, employment and recreation. Currently, there are 38 operators providing public transportation in rural areas and small cities with populations under 50,000.

DESCRIPTION

For more information about this grant and access to other materials, please visit:

ELIGIBLE CANDIDATES

Grant recipients include state agencies, local public bodies, private nonprofit organizations, Indian tribes and public transportation operators.

Private for-profit transit operators may participate in the program through contracts with eligible recipients. In order to receive funds, a company must be in a rural transit district, which is a political subdivision containing multiple counties to provide rural public transportation.
