ELIGIBLE CANDIDATES

- 1) Counties - grants should be based on the county seniors as reported by the 2010 census. If a county has multiple meal providers, the individual county qualifying grants will be totaled to determine the County's overall participation level.
- 2) Meal Providers - A nonprofit or governmental agency that delivers meals to homebound elderly (60 or older) or disabled individuals. Meal providers must receive a grant from the county in which the meals are delivered, deliver meals during the previous fiscal year and complete an application with accurate meal numbers.
