Austin, TX 78752-0229

SUMMARY

The Emergency Management Performance Grant (EMPG) program provides federal funding to assist states and local governments with all hazards emergency preparedness. The Department of Homeland Security (DHS) allocates EMPG funds to participating states on a population-share basis. Participating states then distribute these funds for reimbursement of applicable state and local emergency management program expenses.

DESCRIPTION

For more information about this grant and access to other materials, including the grant application guide please visit: <http://bit.ly/1VMXPex>

ELIGIBLE CANDIDATES

All participating jurisdictions must:

- 1) Be a legally established city or county emergency management program AND be the designated primary jurisdiction in accordance with Chapter 418 of the Texas Government Code.
- 2) Have adopted NIMS.
- 3) Must have appointed an Emergency Management Coordinator (EMC). Each qualifying jurisdiction must have its own appointed EMC. An individual EMC cannot be the assigned to both a county and city jurisdiction.
- 4) Must submit a completed EMPG Application to TDEM by established deadline date. The application must include all required attachments. See below for further details.
- 5) Satisfactorily complete the requirements and all tasks described in approved Statement of Work.
- 6) Submit all required Progress Reports, FEMA Metrics Tables, and Financial Reports in accordance with the published EMPG timeline milestones (see full timeline on page 11).
- 7) Participate and meet the most current FEMA emergency planning, training, and exercise requirements.
- 8) Resolve any deficiencies noted during reviews of emergency planning, training, and/or exercise materials submitted to TDEM within 60 days of deficiencies notification.
