## **GUILLEN HOLDS OFFICE OPEN HOUSE**

*Event is First of Series in 2017*

**Austin** - On Thursday, February 9th, 2017, residents from Atascosa County and surrounding areas are invited to join State Representative Ryan Guillen (D-Rural South Texas) at his Northern District Office, in Pleasanton from 5-7 p.m, for his first Office Open House in the series for 2017.

**"Speaking with families about their issues of concern is something that I truly value," said Guillen. "Our Office Open House offers constituents a unique opportunity to shoot it straight with me, and has long been one of our most successful constituent service initiatives for gaining insight into the unique challenges facing our region."**

The Northern District Office Open House is part of a quarterly event series in which residents of South Texas have the opportunity to speak directly with Representative Guillen and his staff about the issues vexing them. Creating a forum for residents to voice their concerns and ask questions is a key component to Guillen's success as a State Representative, and he greatly values the insight gained from his open houses events each year.

**"It's always encouraging to see residents take time out of their busy schedules to show-up and talk to us about what's important to them," said the Representative. "The engagement between lawmakers and the community they represent is an integral part of making positive policy, and our Open House gives folks the opportunity to do so."**

Representative Guillen's Northern District Office is located at 1411 Bensdale Road, Room 108 Pleasanton, TX 78064. Guillen serves ten rural South Texas counties in the Texas House of Representatives, including Atascosa, Brooks, Duval, Jim Hogg, Kenedy, La Salle, Live Oak, McMullen, Starr, and Willacy. We look forward to this year's Open House Tour.
